Carmen Woodall Editor
Frances O'Brien Business Manager

A former East Carolina graduate, Coach Piestrak has helped us progress in numerous ways. With serious responsibility he has taught boys health and physical education classes.

As coach of the varsity basketball team and the baseball team, he has taught, by example, sportsmanship and determination through victory and defeat.

During the summer, our faithful coach plays a different role. He serves us as a Driver Education instructor.

Because of his unselfish interest in the welfare of the students, his loyal support of our achievements, and his efforts to help us with the problems of our time, we dedicate the 1965 edition of the PEP PAC to Coach Piestrak.

Foreword . . .

It's good times with good friends. It's the rhythm of dancing feet at the Homecoming Dance, party-going teens toggled in knee socks and boys sauntering down the halls in Perry Como sweaters. It's too many activities squeezed into too little time, the togetherness of cheering Bulldog fans, the thronging multitude each morning in the auditorium, and the friendly disorder in the halls. These are all yours.

It's the emphasis on education. It's the interest in the new advanced math class and the challenge of advanced algebra and chemistry. It's the comical plays, melodious concerts, extracurricular activities, enlightening assemblies, and the good times we share participating in these. These are all yours.

It's the proficient teachers, the helpful counselor, competent secretary, and guiding principal. These are all yours.

Whoever you are, whatever you do, wherever you go, you are a part of this story. It's all your year at Henderson High School.

your day at HHS begins.

Your entrance begins another day.

It's all yours . . .

It's all yours. Yes, the friends you meet around school are your friends. The excitement you encounter at football games is yours. The dances belong to you. The lunchroom would be nothing without your presence. The student-teacher communications are yours.

The highlights of your year are many. One of the most outstanding events is Homecoming. Who can forget the game, dance, or your Queen? Then, there are many other

exciting events. The competition of Stunt Night creates enthusiasm. School Spirit Week encourages interest in your activities. Just for your enjoyment Sadie Hawkins Week is held. Very important to your everyday activities, religion is stressed, during Religious Emphasis Week.

These and other activities help to make this, your year at Henderson High, more of a success.

Friends are greeted before school begins.

The Bulldogs take the lead.

Cheerleaders add vitality to sports events.

Students enjoy well-prepared lunches in school cafeteria.

Mr. Jones works problem for puzzled student.

Typing students exercise their skills

A college delegate gives Caroline helpful information.

Miss Stanton and Mrs. Glover compare notes during their spare time.

Education develops Scholarship . . .

Years from now you will look back on your high school days. You'll remember the many hours spent in class. All the many things that you and your classmates do in class will become a part of you.

College Night helps to add a personal touch to your college decision. Representatives from the various colleges helpfully answer your numerous questions.

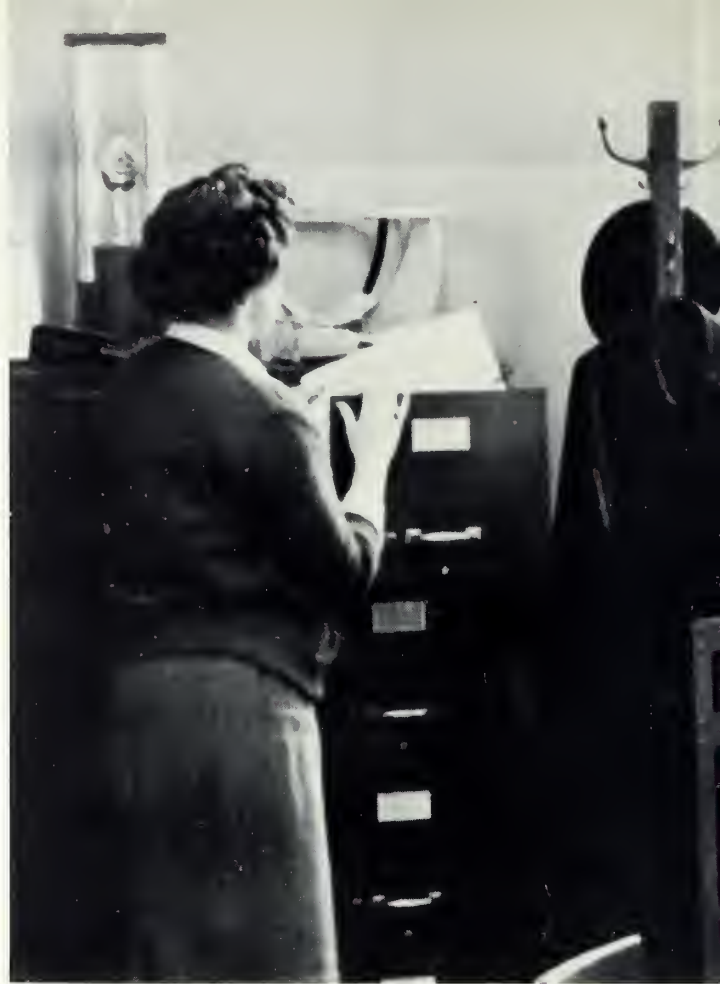

Teachers contribute much to your school years. They are wise and help to guide your thoughts in educated channels.

Music produces enjoyment and happiness. Henderson High School is exceedingly proud of its band. Parades and half-time shows benefit greatly from the talent of the band.

These are all a part of your life.

The band participates in many parades.

Guidance

Literature stressed

Miss Hopgood's Freshmen English class finds English interesting.

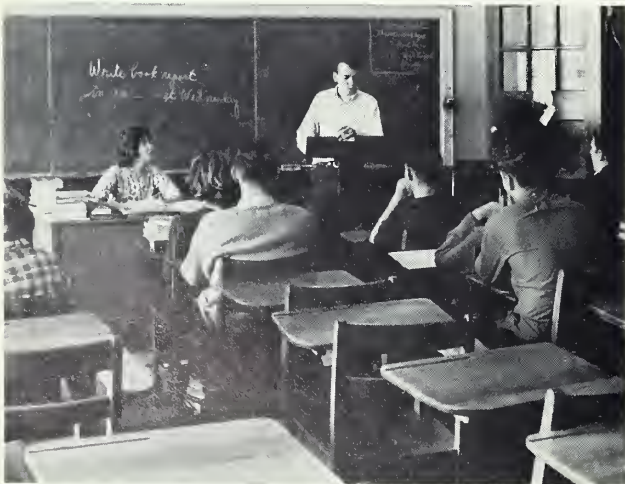

Sophomores find thought necessary in English course.

The English Department of your school offers a well organized program. Literature and theme writing are greatly stressed for both college preparatory and general course students. While freshmen and sophomores are studying a combination of American and European works, the juniors and seniors are

engrossed in a particular one of these. The juniors spend long hours learning about the brilliant writers of our American Heritage. The seniors strive intelligently to prepare themselves for one facet of the ambiguous task of college through laboring over the European works of Literature.

Oral speeches help juniors express themselves.

Seniors focus on the study of literature.

Spanish requires concentration.

Students find French exhilarating.

In the growing desire for knowledge among people, foreign languages are becoming more and more common to everyday use. Here at H. H. S., several foreign languages are offered to you.

Spanish, a relatively new subject here, gives you a better understanding of your neighbors South of the Border.

H. H. S. also offers Latin I and II. Latin is not spoken as an existing language any longer, but it has proven to be a very effective basis in learning to speak other languages. In taking this course you also benefit from

the knowledge you gain of the Roman people.

French is offered to you for four years at H. H. S. For first year students, conversational French is mandatory. Second, third and fourth year French smooth over the rough edges of grammar and help to make you more familiar with the language and the people who speak it.

These languages, if studied in earnest, benefit you in many ways. They are offered to you at H. H. S. to make your education here a well-rounded one.

Noun declension puzzles Latin students.

New advanced Math

Students benefit from board instruction in Algebra I.

Trying to concentrate in Geometry class.

Seniors puzzle over College Algebra.

Advanced math is senior subject.

Math prepares you for the future. Every occupation in your modern, learned society requires at least a little background in math.

Here at H. H. S. six courses in mathematics are offered to you. Algebra I is offered to the freshmen class. The sophomores take geometry while the juniors take Algebra II. General math gives the general course students a needed mathematical background. Advanced math and college algebra prepare seniors for college and future math courses.

Students listen intently in General Math class.

course offered . . .

Psychology inspires conversation.

Lectures are given in World History class.

A number of courses at Henderson High are offered to give you a better understanding of yourself and the growing, changing world around you. To better understand these, a basic knowledge of history is also necessary.

Psychology deals with human behavior and has proven to be an asset as a seniors' elective course.

The history of the world, is reviewed in world history class while the background and political history of America is covered in United States history.

Civics and problems of democracy help to make you aware of the happenings and organizations of our government.

Fun in U. S. History

Civics pupils are eager to answer.

Mr. Trowell leads class in Problems of Democracy discussion.

"Science courses open new

Mr. Knight's general science class studies diligently.

Sophomores toil over the study of life, biology.

New concepts in science are constantly arising. Science opens new avenues of thought for students at H. H. S.

Freshmen are introduced to the science department with a year of general science. General science gives the freshmen a little knowledge on the many phases of science.

Biology is taken by the sophomores at H. H. S. Biology is an interesting study of living matter and is given to the students for the purpose of better preparing them for life

itself.

Juniors and seniors may take chemistry. Chemistry is a science which helps a person understand more fully matter and energy.

Physics, the most advanced course of science offered here, is a senior subject. A basic knowledge of science and common sense are needed virtues for this course.

Science courses are an important need to all students and should be taken advantage of.

Experiments bring chemistry to life in Mr. Harrison's lab.

Seniors ponder over physics problem.

Topics of Study. . . . "

Library facilities are available to students all during the day.

Henderson High School is equipped with a good library which at all times is at the access of the students.

The library contains a wide variety of books and magazines. Many students take advantage of the library for their sources when writing their themes and for book re-

ports.

Mrs. Young, the librarian, is always ready to help a student find needed material or a desired book.

The library is a needed department at H. H. S. Students from the Freshman to the Senior classes use it vigorously.

Use of the card catalogue makes finding books quicker and easier.

Business courses stress

Home economics students enjoy learning to cook and prepare whole meals.

Your home economics department offers a wide variety of challenges. Students enjoy cooking and sewing. They take part in studies of interior decoration and child care. Not only do they acquire new dexterity in sewing and cooking, but a study in personal and social development is acquired.

Distributive Education prepares students for good positions in business. These students

usually attend school during the mornings and work in the afternoon and on weekends. Through classroom instruction they obtain valuable information concerning salesmanship. A basic knowledge of buying, selling, advertising, merchandising, and stockkeeping is acquired. These skills enable D. E. students to prepare for future vocations.

Laughter erupts among these distributive education students.

Vocational skills . . .

Speed and accuracy are stressed in Typing I and II.

Among the business courses offered here are Typing I and II, Shorthand I and II, bookkeeping, and general business. They aid students in obtaining the skills necessary for a business career.

Accuracy and speed play an important role in Typing I and II. Time writings are an every day occurrence.

Shorthand interests those who are eager to get every word down. This is a particularly good course for students interested in secretarial work.

While bookkeeping trains you for a particular type of work, general business helps to present a wide view of the business world's demands.

General business gives an over all picture of the business world.

Mrs. Vickery's bookkeeping class labors over the day's assignment.

Basketball helps keep freshmen physically fit in their physical education class.

Physical education has many advantages in the daily routine. It is a unique course in that it employs the playing of sports. These activities help a student to become and stay physically fit. Boys and girls alike participate vigorously in all types of games.

The classroom study includes covering

proper foods and first aid. The students are also fortunate in the instruction they receive on correct operation and care of an automobile.

The physical and classroom studies in this course help a person to be physically and mentally alert.

Boys participate vigorously in physical education class.

The Freshmen band practices in preparation for next year.

Our school band provides enjoyment for many occasions. Henderson High School band has been directed by Mr. W. T. Hearne, Jr. for twenty-seven years.

During football season, the marching band participates in all parades and can be

seen at all home games.

The rhythmic band provides concerts at Christmas and in the spring.

The students of H.H.S. boast a competent and well organized band.

Practice makes perfect!

Band practice demands time and patience.

In Memory of

There is no death! The stars go down
To rise upon some other shore,
And bright in heaven's jeweled crown
They shine for evermore.

There is no death! An angel form
Walks o'er the earth with silent tread;
He bears our best loved ones away,
And then we call them "dead."

And ever near us, though unseen,
The dear immortal spirits tread;
For all the boundless universe
Is life--there are no dead!

The National

The name of this chapter is the John T. Alderman Chapter of the National Honor Society. The object of this chapter is to create an enthusiasm for scholarship, to stimulate a desire to render service to promote worthy leadership, and to encourage the development of character in the students of Henderson High School.

Character, service, leadership, and scholarship are the requirements for membership in this organization. The constitution provides that only five per cent of the sophomores, ten per cent of the juniors and fifteen per cent of the seniors may be elected to membership by the faculty.

Honor Groups

A relatively new organization at your school this year is the Societe Hononaire de Francais. Membership for this is open to sophomores, juniors, and seniors with a ninety average. Membership may not exceed ten percent of the total French club membership. Interest is a qualification; leadership, another. These students study the lives of your French neighbors across the sea.

Among the honor groups at Henderson High is the Quill and Scroll. This is an honor bestowed on members of the "Bulldog" and PEP PAC staffs that have done hard work on their publications during the year.

The Quill and Scroll promotes high

scholarship, journalism achievement, and service to the students, faculty, and the publication. Members of this International Honorary Society for High School Journalists deem it a great privilege to be a part of such an organization.

Class Night, Baccalaureate Sermon, and Graduation have a particular meaning for a select group of underclassmen at Henderson High School. These students are the marshals, who have been chosen because of their high academic records. The Chief and Assistant-chief are the two students with the highest averages in the Junior Class. The other twelve marshals are equally divided among the Freshman, Sophomore, and Junior Classes.

The Student Council is the governing body of H. H. S. Each homeroom sends a boy and a girl representative to the S. C. to report to them on the current affairs of the Student Council.

The Latin Club offers many advantages to Latin students, present and past. Miss Georgia McIntyre is the advisor and sponsor of this club.

The main event of the year for Latin Club members is the annual banquet. Much preparation and hard work goes into this affair. For the guests, there is entertainment and fun! The meal is prepared and served in Roman tradition. The banquet closes with the selling of slaves. The slaves must obey their various masters for one week.

The Latin Club at H.H.S. is also a member of the Junior Classical League. Each year a J.C.I. Convention is held in Chapel Hill in which the members here participate.

The Latin Club provides a little enjoyment to a tough course. It is a large club and undertakes many worthy projects.

Henderson High School welcomes to its extra-curricular activities the newly formed Spanish Club. This organization proves to be an asset to its members.

The highlight of the Spanish Club's activities is Spanish Week, which is held in April. Mexican students from the University of Mexico are with us during this time. A lottery is sponsored by the club for all high school stu-

Spanish tradition marks the assembly program presented during Spanish Week.

At the annual fiesta in honor of the Mexican students, there is much laughter and gaiety as we strive to make this a real old-fashioned celebration. The ever-popular pinata swings from the ceiling. Everyone who attends remembers the Spanish fiesta.

F.T.A. members endeavor to undertake many projects during the course of a year. The

club keeps a scrapbook. First prize at Stunt Night was won this year by them. Their Homecoming float won honorable mention. F. T. The Debating Team provides a chance for the student to experience valuable means of training in speech and thought. To be a successful debator, you must be willing to put in long hours of diligent work. But your work is duly rewarded in that the debator learns to be accurate, to present ideas in an effective manner, and to be thorough. You learn to think clearly, but quickly. You learn to separate important statements from those not so important. In its assembly program each year, the Debating team proves its importance in the team work of its members.

Miss Dogpatch doesn't give up easily.

To talk to a boy costs a girl a ribbon.

"Hustle girls, and get my books" is one of the lines often heard during Sadie Hawkins week. You may often see girls lugging books for the boys and you might even see girls jumping to open doors for the definitely feminine males at H.H.S.! But do not be disturbed because this is only part of our annual fun-

filled Sadie Hawkins Week.

This backwards week ends with the girls asking the boys to a dance held in the gym with a 'just for fun' theme.

Sadie Hawkins week is for the students enjoyment but the boys seem to get more pleasure from it.

"If you don't come down, I'm coming up!"

Mr. Irresistible lives up to his name.

South Pacific islanders provided the evening's entertainment.

The South Pacific theme sends

Although on the outside the gymnasium looked like the same old building you see every day, the inside was miraculously transformed to that of a "South Pacific" theme. Leis and ukeleles were all around. Barefoot islanders served as

waiters and waitresses. As the Esquires played, guests danced under a twilight sky. While resting, many were to be found around the multicolored waterfall.

The warm spring air was filled with music by the Esquires.

Boys crowd around refreshment tables.

Sophomore waitresses do their duty well.

romance to the atmosphere

As the Junior and Senior class officers were presented with their dates, you could feel the excitement of the evening. This was the big social event of the year. As the old town clock

struck twelve, hundreds of reluctant guests turned to leave. Never will we forget the 1964 Junior-Senior Prom.

Couples mix with other couples to talk and laugh.

As Danny Hughes and Rebecca Oakley stand at the podium calling the Homecoming Court to the stage, one can see the anxiety in the students' faces. What for? They are awaiting the revelation of the 64-65 Homecoming Queen. All students gladly welcome Miss Betsy Mar-

row as she is tapped Queen. As she receives her roses and sits in her chair the auditorium shakes with the thunder of clapping hands. People rise to their feet to welcome the Queen to her reign.

Congratulations, Betsy!

Homecoming Queen and court are recognized
in chapel

A typical example of our tough
football players

The Homecoming Events at H. H. S. are a suitable climax to the exciting football season. The most important of these events is the revealing of the Homecoming Queen, elected by the football team. This is accomplished in the chapel program completely devoted to the Homecoming theme. Next in line is the Homecoming Parade in which homerooms and clubs may enter floats or cars. The Homecoming Queen and her Court ride in

open cars in the parade.

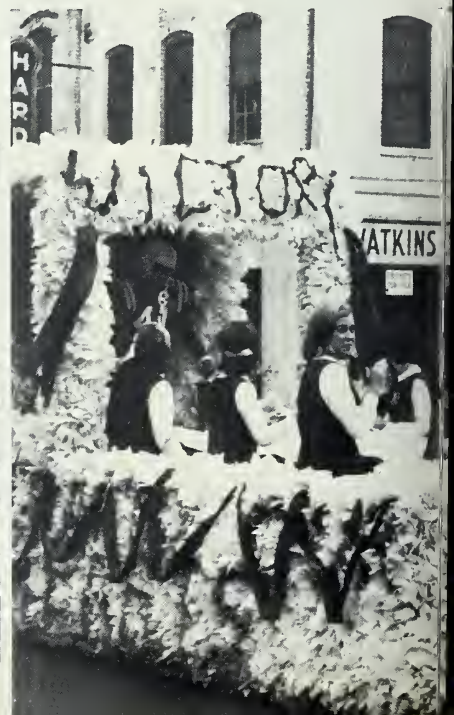

The Homecoming game is played at night with the half-time show honoring the Queen and her Court.

After the game the conclusion of the Homecoming Events takes place with the annual dance. The Homecoming Events of the year 64-65 were very exciting and showed your school spirit.

Cheerleaders add vitality and
spirit to Homecoming

Smile winners Prettiest: Clark Hoyle, Nancy Pinnell; Most Put On: Danny Pulley, Anne Blackburn; Most Conceited: Danny Hughes, Hayden Legg; Most Mischievous: Larry Taylor, Linnea Mustian; Most Flirtatious: Tommy Hester, Libo Leathers; Sweetest: Hugh Lewis, Frances O'Brien.

The Student Council is responsible for guiding the students from day to day. Once a year there is a week set aside for an extremely important phase of your school life--School Spirit Week. What better way to prove your loyalty to dear ole H.H.S. than by a School Spirit Week. Students are requested to wear blue and white,

school colors, on a specific day. There is a smile contest to cheer the sometimes monotonous days. Boys who trick girls into speaking gain ribbons from the lassies. While having fun and enjoying every minute of it, the student body realizes the imperative importance of school spirit.

Beauty and vitality are added to the basketball games by the cheerleaders.

The boys played their very best during the week.

Mrs. Allen prepares for one of her famous foul shots.

Mrs. Vickory eyes the goal; but Ruth Nowell has other plans.

Each year the students give the teachers a chance to really prove themselves. Those who dare don gym apparel to compete with the strong-willed students in a battle that attracts quite a crowd. The event is known far and wide as the student-faculty basketball game. It always brings uproars of laughter as each team

struggles to win the victory.

As is typical of your school, teachers and students have a wonderful relationship. This game draws faculty and students closer together. While sharing the hilarious fun, all players win, no matter what be the final score.

Each time the ball comes down, a mad scramble begins.

Teachers take time out to plan their moves.

Stunt Night is sponsored by the Key Club and gives talented students a chance to reveal these talents. This year much interest was shown in Stunt Night.

Serving as "MC's" for the program were Malone Parham and Hayden Legg. The judges were Mr. and Mrs. Ruben, Miss Smith, Mr. and Mrs. Dick Carter, and Miss Stanton.

Prizes were awarded to the "Bushmen", F.T.A., the Voices F Five in the group division. Rosemary Studebaker and Laura Hunt tied for first place in the individual talent division.

To conclude the program on Friday night Mr. and Miss H.H.S. for the year '64-65 were revealed. This year out of ten poss-couples Danny Hughes and Susan Taylor were crowned.

The Key Club did a truly great job on the production of Stunt Night this year.

Bus drivers: Ronald Grissom, Glenn Collins, Charles Grissom, James Adcox.

H.H.S. buses are important to the life of the school and the students.

New students and new teachers at H. H. S. benefit the school. They come with new ideas and are new refreshing faces and personalities for us to know. Welcome new people at H. H. S.!

School bus drivers are an important group at H. H. S. They provide transportation to and from school to students not having any. They are responsible students with an important job.

Alice Atkinson is one of the many new students at H.H.S.

The boys that serve food in the lunchroom work industriously to please the students.

Mrs. Jimmy Bryan works on financial accounts.

Cooks prepare tasty meals for the students.

Vital to the alert minds of Henderson High School students is the cafeteria. The never-failing hearty lunches mean much to those who eat in the cafeteria each day. The dietician strives from day to day to prepare the food in a variety of ways. She does a marvelous job

of serving hot foods even for that unfortunate one at the end of the line on third shift. Busily, the dietician and cooks work over hot stoves and dishwasher so that they can nourish and strengthen the students who must carry on with their classes.

Charlie takes break from the labors of the day.

Maids are important to H. H. S.

Athletics

Tommy Pace outjumps a Roxboro player for possession of the ball.

Athletics are heavily stressed in Henderson High School. Leadership and responsibility develop in the athletic as the year progresses. Football starts our sports year. There are varsity, jr. varsity, and freshman football teams. The students encourage this sport by large attendances at the games.

Boys and girls participate

Nancy Watkins aims for a basket against Roxboro.

Girls enjoy sports just as much as the boys do at Henderson High, but unfortunately there is only one sport in which they can participate. This sport is basketball, in which the girls put forth all their effort. The Puppettes are a valuable asset to our school.

Assistant Football Coaches: Dave Meekins and Lee Boykin

We have another championship varsity boys team again this year. Our boys spend hours in strenuous practice mastering the skills and techniques of the games. All of the boys on the team should be commended for their effort which they constantly put forth.

in a variety of sports

Pete Pietrak: Varsity Boys Coach
Jean Smith: Varsity Girls Coach

Golf, track, and baseball add to our variety of athletics. Spring sports are gaining more and more emphasis each year.

A good spirit of sportsmanship and team work is acquired from participation in these athletics. The coaches and participants should be commended for their effort, time, and change. We thank them for these.

A brief look down the Bulldog bench shows tired players.

Junior Varsity Football Team

Henderson High School's expert football coaching staff worked together to produce another great Junior Varsity team. Next year's varsity team will prosper greatly from these skilled and now experienced football players. Their size and spirit will be among their most valuable characteristics for their varsity

years. Our Junior Varsity team looked tough in all of their games, and the future looks good for Henderson High. Coach Luby Lee Boykin, Coach Wade Stevenson, and Mr. Dave Meekins deserve recognition for their fine coaching and patience with the team.

Freshman Football Team

Mr. Donald Crawley took on our Freshman team this year. Our Freshmen proved that underclassmen can play football as well as upperclassmen. They battled their way through a six game season without a defeat. The Midget Football program here in Henderson gave our boys the necessary experience they need to play

like experts. The team is filled with many talented boys, and they all play exceptionally well. These boys have made a fine contribution to our school and athletic program. May each member of the team be as successful in the years to come!

Girls' Varsity Basketball Team

Mrs. Olivia Watkins took on the Puppettes at the first of the year, but they gained another new coach! Miss Jean Smith arrived in Henderson directly after our Thanksgiving holidays. Miss Smith was greeted by five returning lettermen in addition to some very promising new members.

There are only two juniors and one senior on our varsity squad. However, four sophomores and five freshmen complete the team. This year's team is one of the most promising

our school has seen. Each of the girls has put forth a great deal of effort, and much skill and talent have been uncovered.

The girls have vigorous practice sessions every afternoon immediately after school. From these practices, they gain valuable experience which proves especially valuable when they face experienced opponents. The season looks bright for the Puppettes, and the students in our school are very expectant.

Henderson Vs. Louisburg

The Puppettes opened their season against Louisburg at Louisburg. The expert coaching and vigorous practice sessions paid off. The Puppettes led the entire game, and Louisburg came no closer than twelve points. Nora Lynn Finch spearheaded the attack leading all scores with twenty-nine points.

Susan Taylor is our chief cheerleader.

The cheerleaders are among the most beneficial organizations in our school. Each cheerleader is a promoter of school spirit and an encourager of good sportsmanship throughout the school year. They sponsor the pep rallies every Thursday night before home games during football season. The cheerleaders have promoted school spirit in our homecoming parades every year.

Dear "Jon",

Another year is drawing to a close
and it's 'bout time for you to blow me.
It's been a fairly good year, except
the Chemo, Algebra, English, History
part. I wish you would do your
homework. Have a good time
this summer and don't get too much
on ya.

Thomas
G.T.H.

"Jon"

Well -- I see you
are doing about as good
as I am in school. The
first thing I see in your
book is a "58." We had
really had some good times
together this year -- the
ballgames I drove to -- the
camping trips -- just to
name a few. Here's hoping
that you have one great,
hell raising and sober
summer.

Wayne

P.S.

I hope we pass!!! ???

Johnny boy
Its been loads of fun
having you in Chem and
English this year. I think as
far as Spanish goes for you and
I, we ain't nothing but Spaniards.
It all sounds kind of stupid anyhow.
Good Luck Next Year
Mike W.

Johnny,
I've enjoyed being in
History Class with you
and the last part of the
year - study hall.
Please stop teasing me about
my great sneez. I love you!
as sweet as you are!
Linda Newman

Johnny (Big Brother),
I didn't get to know
you very well this year
but I hope I'll see you
this summer and there's
always next year. Be
sweet and be good on all
of your camping trips.
Gene Harkel

*You have always been my
first choice and I hope you
will continue to be so.
I love you and hope
you love me too.*

Jon

Despite my mother, we
have really had some great
times. Remember that
christmas party. Remember
all those basketball games.
Remember our pool contests.
Damn! You got a good
memory.

~~Remember the~~

We must get together
this summer and pull
some good ones. (I hope we
ever get out of school)
Good luck on all your
exams.

Your best friend,
Brad

Johnny,

she had a nice History class this
year, didn't we? I think we
made the most of it, though. You
are a sweet guy. I hope we become
better friends in the future. Best
of luck to a fine person. Be good
this summer and don't get any
on ya.

Love ya,
Barbara

John,
We really had
some good times this
year, didn't we. Remember
the Fri. & Sat. the morning
after. (too bad you didn't get tight)
Remember the dances and the
ball games and the ones we pulled
I really like Pine. In we have
to go back to S. H. some time
in the m-80's.
When we go hunting next year
I'll show you how to hunt.
Have a good summer and
hope to see you a lot. (fishing) (camping)
and so on)

Your friend,
Mike Bulgin
P.S. Don't get tight too
many times.

Jon
it's been nice
hunting Deer on the
flats. Even there we
didn't fall asleep. There's nothing
like H.C. The camping trips
aren't so bad. Just wait till Dave
seasons. Let's hope we make it into the
college if our choice. We're going to ski
a hole in my skin this summer. See you
pool sharks.
Jon Huff

Jon,
I have really enjoyed
being in English with you.
This year! You make my class
a lot of fun with your witty
remarks. I certainly am glad
you passed your term paper,
and it really didn't mind helping
you. I wish you the best of
everything always!
Love ya'
Nidia

Jon,
we really raised
it in English. I don't
see you for a better
time. Just turning
around with
Brad. He is
a bad influence
on you.
Love ya'
Nidia

Jon,
 the really

 in High School
 this year. We've
 really raised alot
 of hell together, Best
 of luck in the future.
 Don't drink too much.
 BLOW ME & EAT A NUT,
 A friend
 "Gup"

You! we

 memories not only
 of our high school
 days but a
 lot of our memories
 that we have
 all to do with
 this summer.
 Have ya
 A letter
 don't
 feel
 too

Dear Jon,
 It has been great getting to know you
 this year. U.S. History was the subject
 about 2' in our last class to you with
 me your friend. I'd never forget
 the day that you drew an arrow from
 our textbook to your great
 house where it's going to be in the
 past of our life!
 You are a very smart and
 nice person. I hope you are happy
 and I hope you are healthy.
 Love,
 Gup
